1	<p>Shodan candidates <i>Discussion</i> - Tanya Ellis informed that James Melhuish wants to travel, he is not willing to commit to participation in the next Shodan class and he might be ready in 12–18 months time. Craig Swingler stated that if there is no training partner then Lannon Zacher might not be keen to do the Shodan course. He asked if any other brown belt could be persuaded to commit. The only likely candidate would be Jane Noble. If there are a few more students in the Shodan class then James Melhuish might be persuaded to change his mind. Tanya Ellis will talk to James again. <i>Decision</i> - Jane Noble 90%, Lannon Zacher 70% and James Melhuish 50% possibility of commitment to the Shodan course. Invitation letters to participate in the Shodan course will be sent to candidates soon.</p>	T Ellis	ASAP
2	<p>Position of Treasurer Tom Atterton informed that Mike Atterton wants to stand down as Treasurer but Mike will continue on in the position if a suitable replacement cannot be found. Craig Swingler stated that after five years it is about time that Mike Atterton has a break from being treasurer. Craig Swingler will draft and forward a letter of appreciation to Mike Atterton for his time as treasurer. Because of his accountancy background Aaron Turner is an obvious replacement for Mike. Craig Swingler will contact Aaron about the position of Treasurer and ask him to commit to the position for a period of twelve months.</p>	C Swingler	ASAP
3	<p>Birthday cards Chief Instructors are to forward to Craig Swingler the birthdays of all currently training students. Birthday cards will be made up and sent to students on their birthday. So that the birthday cards can be signed, all dan belts are to put their signature on a sheet of paper with a felt tip pen for scanning into a computer and forward it to Craig Swingler. If a dan belt stops training their signature will be removed from the card list and deleted.</p>	All dan belts	ASAP
